

## WHERE SHOULD I THROW IT? IT'S A GUIDE HOW TO USE OUR RECYCLING BINS

### PLASTIC

-  PET bottle (folded)
-  clear film
-  colored foil
-  rinsed glass of yogurt

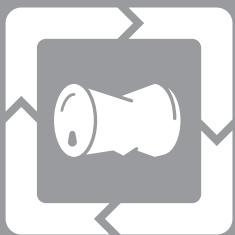

- 
- Aluminum foil
  - chips bag
  - plastic coffee cup
  - chocolate wrapping paper

### PAPER

-  office paper waste,  
newspaper, flyers, advertising publications
-  clean wrapping paper
-  cardboard boxes folded

- 
- beverage cardboard box
  - handkerchiefs, napkins, wipes
  - paper cup
  - food delivery box
  - contaminated paper waste

### METAL

-  cans

- 
- Aluminum foil

### GLASS

-  rinsed colored glass  
and white glass

- 
- contaminated glass

### TRASH

-  food waste
-  Styrofoam tray and food delivery box
-  or any material that cannot be thrown into selective bins

Please help us by:

-  taking the Styrofoam out of the paperboard!
-  rinsing food and drink plastic containers!
-  emptying the pizza and other food boxes!
